

FIERA MILANO ARRANGEMENT FOR ACCESS TO THE EXIBITION CENTRE

Fiera Milano offers you maximum safety for your visit to the exhibition center, in compliance with current regulations and to safeguard health and safety. For access to the neighborhood, you are kindly requested to observe the following:

- Workstations for measuring body temperature have been set up at all pedestrian and vehicle access gates: access to people with fever over 37.5 ° C is prohibited.
- Access to the exhibition center is forbidden for people coming from areas at endemic risk according to the instructions given by the authorities, and / or who have not complied with the health requirements envisaged in such cases;
- It is mandatory to wear special face masks for the entire duration of the stay inside the venue.
- It is recommended always to keep the interpersonal distance of at least 1 meter.

In compliance with the privacy policy and in compliance with the legislation in force, a register of attendance is maintained for the sole purpose of data traceability for a period of 14 days.

Thanks for collaboration.
